

# lista.edu.fi support

Suurin osa toiminnoista on melkoisen itsestäänselviä, tai selviävät [Sympan ohjesivustolta](#).

Sympan listojen ylläpito tapahtuu ylläpitäjän sähköpostiosoitteen perusteella ja kullakin sähköpostiosoitteella on oma salasanaan. Ensimmäistä kertaa sisään logattaessa pitää valita yläreunasta "Lost password?" ja tilata itselleen uusi salasana olemassaolevaan ylläpito-osoitteeseensa:

The screenshot shows the login interface for lista.edu.fi. At the top, there is a navigation bar with a search field, a "Hinnata" button, and a "Login" button. Below this, the CSC logo and "CSC – IT Center for Science" are displayed on the left, and "lista.edu.fi" is on the right. A menu with "List of lists", "Home", and "Help" is centered. On the left side, there is a "Search lists" button and a "Language Selection" dropdown menu set to "English". The main content area features a "Lost password?" form with the following text: "You have forgotten your password. You must renew it. Please submit your email address. You will then receive a message providing access to a form allowing you to choose your password." Below this text is a "Your e-mail address:" label followed by an input field and a "Request new password" button. A small green arrow icon is located in the bottom right corner of the page.
