

# The university-specific JOO instructions

Most universities use the electronic flexible study rights application system Joopas and you can find these universities JOO-instructions here.

The electronic application system is not used in all universities. If you study or want to apply for a study right in University of Eastern Finland, University of Jyväskylä, University Of Oulu and University of Lapland you can get more information by contacting the study counsellor at your home university or at the host university and you must fill in a printable application form.
